OLD LANDMARK

The Former Kesidence of Minister Miller Torn Down for Improvements.

One of Honolulu's oldest landmarks is about to pass away to give place to march of improvement which is steadily transforming the oid-fashioned Honolulu into a modern commercial

> building which once housed General Miller, United States Minister, more than fifty years ago at the corner of Beretania avenue and Miller streets is being torn down by the Punahou College trustees to make room for a commodious school structure. The old-

er inhabitants recall the building in the 40's when it was considered a mansion. well known Being the residence of the representative of what was then a foreign nation. adjoining home of the house took on considerable dignity. General Miller is well remembered by those born in Honolulu in the 40's and 50's. The General had a fondness for children and there was a standing invitation in the American schools that the children who stood highest in their studies each week should come and

week was a big event. The present Miller street was named gia home in Australia, last after him. The residence was after-R. F. Bickerton and son, Spen bin until eight or nine years ago. The ward occupied by Dr. Robert McKibfew weeks with friends at Lathe Punahou trustees and a kinderwarten school has been maintained in

Is a natural spring water from the famous springs located at Coronado Beach, California.

Thousands of people who visit California's celebrated pleasure and health resort go their to drink of this purest of waters. Of course, not every one has time or can afford the expense of a trip of 2,500 miles for a few short weeks at the springs to drink of the healthgiving water. We bring Coronado to your door-that is, the pure, sparkling water, that has been bottled as it comes gushing from its fountain head.

The oldest Greek physicians had great faith in the curative properties of mineral spring water, and from that period until the present time, they have been sought by invalids. When one realizes that two-thirds of the human body is composed of water they appreciate how important a factor pure, wholesome water is to the system.

JUST RECEIVED another large shipment of these lamps. These lamps wurn in such a manner that the combustion is almost perfect, and for this reason the light is magnificently brilliant, smokeless and o-torless. The lamps are absolutely

safe, it being simply impossible to explode.

The Angle Lamp accomplishes perfect illumination. It presents an opportunity o' securing light which is easily operated and more brilliant than gas or recitive, with no more heat, at a mere fraction of their cost. It provides a lamp for homes, stores, offices, factories, halls, libraries, hotels and churches that is loss

The public is cordially invited to call and inspect these lamps. Also Agents for Alsen Cement, The Giant Powder Co., and Tacoma and No. --
